Warranty

Corbett Laminates ensures that all our products are quality checked and free from manufacturing defects. Products inspection prior to installation is recommended for your satisfaction. In case of any non-compliance issue, the company would be liable for the cost of the product only.

Disclaimers

Sample presented are indicative of colour, pattern and surface finish but do not represent the actual thickness. In an unlikely event of the product having manufacturing defect, it shall be replaced with a similar product only. Minor variation in colour shade could be possible.

Precautions

- Before cutting the laminate for pasting, please ensure that all the sheets are of same design and finish as per order.
- To avoid cracks and/or bubble, be extremely careful while pasting the laminate sheet.
- Put proper & uniform pressure while pasting the laminates.
- Direct sunlight exposure may cause color fade.
- Do not use any chemical substances on the laminate sheet while cleaning the laminates.
- Cover the furniture when doing painting or coloring in the house.
- Store the laminate sheet roll in an open position.
- Cut the laminate sheet while keeping it flat.
- Use TAPE || (MASKING TAPE) at multiple places for better adherence.

By taking the above precautions, many problems can be avoided, before and after pasting of laminate
